

Strength and Stability

WFG family of companies is one of the fastest growing title companies in the nation. Our growth has been a direct reflection of caring about what is important to you! In just 6 short years we...

- Have become the 6th largest underwriter in the United states (based on Q2 2016 national market share published by ALTA)
- Provide exceptional closing services for your clients
- Have Mobile Notaries available across the state
- Have become your “go-to” compliance leader

By constantly committing to your success and an unwavering goal to take the time and cost out of real estate transactions, we continue to grow; and we thank you for the opportunity to grow together!
